GRADUATE SCHOOL 3mE Go/No Go process

- PhD candidate informs the promotor that his/ her GNG meeting will have to take place within the upcoming 3 months.
- Asks promotor for the names of the 3 committee members
- Ask the department secretary to plan the GNG meeting
- · The PhD candidate writes a progress report based on the goals formulated in the PhD agreement
- · Prepares presentation for the GNG meeting,
- · Fills in the GNG form.
- read the PhD agreement prior to the meeting.
- members and the independent third committee member attend the Go/No go meeting.
- · After the PhD candidate's presentation the 3 committee members formulate the advise and feedback in the GNG form and communicate this to the Promotor
- Promotor makes the GNG decision and adds it to the GNG form
- · The GNG decision is communicated to the PhD candidate.

- · The Promotor records the outcome of the meeting in the GNG form and as asks the committee member to sign the GNG form.
- The PhD candidate discusses the end of the PhD with HR and the supervisory team.
- The promotor fills out the GNG form, informs the FGS about the outcome and sends the GNG form to FGS as a scanned file via email. FGS upload the form in DMA and update the task to status '16'.

- Forms
- The Promotor fills in the GNG form and fils in the correct Form A and then sends both forms to the FGS as a scanned file via email.
- in DMA and updates the status to the next task.
- · UGS checks the Form A in DMA and submits it to the Board for Doctorates for approval.
