**BauHow5 is an alliance of the 5 leading Architecture Faculties in Europe:
TU Munich, TU Delft, ETH Zurich, UCL (London) , and Chalmers.**

The event aims to establish viable approaches in the transition towards a circular built environment. We want to discuss our BauHow5 approaches with stakeholders from the general public, government, finance, industry and design. Do our efforts align? Are we targeting the right topics? Are we making the greatest possible impact? Room will be given to debate, discussion and networking.

Programme:

June 11th 2018. Approaches to Circularity.

Organiser/Moderation: Tillmann Klein, Delft University of Technology

8:45 - 9:20 Reception and coffee

9:20 - 9:30 Introduction: Frank van der Hoeven. 100% Research, Delft University of Technology

9:30 - 11:00 Session 1 – The academic approach

In 4 presentations BauHow5 members will describe their vision of a future circular built environment. We will discuss what is expected from academia and how the strongest impact can be made. How is circularity translated into education?

Speakers: Tillmann Klein, Delft University of Technology
Ben Croxford, University College London
Tobias Wagner, Technical University Munich
Krystyna Pietrzyk, Chalmers University

11:00 - 11:30 Coffee break

11:30 - 13:00 Session 2 - Design and Industry

Selected experts from practice will share their views on circularity in the building realm. Which projects have successfully been realized? Is there already a business proposition and what are the possible bottlenecks?

Speakers: Ron Jacobs, Kloeckner Metals ODS Nederland
Hans Hammink, de Architekten Cie
Bas van de Griendt, NRP Circulair
Lasse Lind, 3XN Architects

13:00 - 14:00 Lunch

14:00 - 15:30 Session 3 - Governance and finance

Speakers from government and institutions will outline strategic approaches. How will the transition towards a circular society take place and what is the role of the built environment? What regulatory frameworks can we expect and what funding opportunities will come available?

Speakers: Arnold Tukker, Leiden-Delft-Erasmus Centre for Sustainability
Petran van Heel, ABN AMRO Bank
Robert van Beek, FME Association

15:30 - 16:00 Coffee

16:00 - 17:00 Discussion – shaping BauHow5 circular approaches
