Invitation

Join us for the first **IEEE CPMT Benelux Chapter** summer event, a BBQ with an informal speech about challenges and opportunities in power electronics packaging for experts in microelectronic packaging, brought by Prof. Braham Ferreira the president of the **IEEE Power Electronics Society (PELS)**.

During this barbecue you will have the chance to meet your fellow CPMT colleagues from all over the Benelux region and moreover experts from power electronics society offering an excellent social networking opportunity.

Everyone is welcomed. Register today!

Program:

18:00 – Walk-in with drinks and barbecue.

18:30 – Speech by **Prof. Ferreira**

21:00 – Closing and drinks.
