# Installing Rhinoceros 5.0 on Windows

You can download Rhinoceros 5.0 from:

## Rhino 5 voor Windows:

<http://www.rhino3d.com/download/rhino/5/latest/tudelft>

Double-click the Rhinoceros file to unpack the installation files to a directory on your computersystem.

*NOTE: if you already have an existing Rhino installed and only need to update the license, you can skip the Installing Rhino 5.0 part after you have got your new license from McNeel.*

## Download and license request

1. In your preferred browser type the following URL:  
<http://www.rhino3d.com/download/rhino/5/latest/tudelft>

Enter your email address.  
(make sure that you use your TU Delft e-mail address)

Click Next.

2. Check your email for a download link and license key.

*Didn't get the email? Please make sure:*

*Did you use the correct email address.  
Check your junk mail folder.*

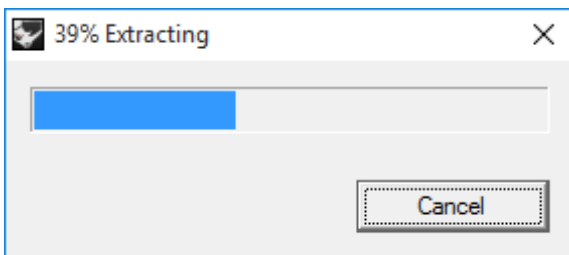

The screenshot shows the Rhinoceros website's download page. At the top, there's a navigation bar with links like 'buy', 'download', 'gallery', 'features', 'news', 'community', 'learn', 'support', and 'resources'. Below this, the 'Download Rhino 5' section is highlighted, showing the release date (2015-8-10) and file size (453.5 MB). A text box prompts the user to 'Please enter your e-mail address:' with a 'Next >' button. At the bottom, there are links for 'Find a Reseller', 'Privacy Policy', 'About', 'Contact Us', and 'Language'.

## Installing Rhinoceros 5.0

1. Double-click the installation file in installation folder that you downloaded.

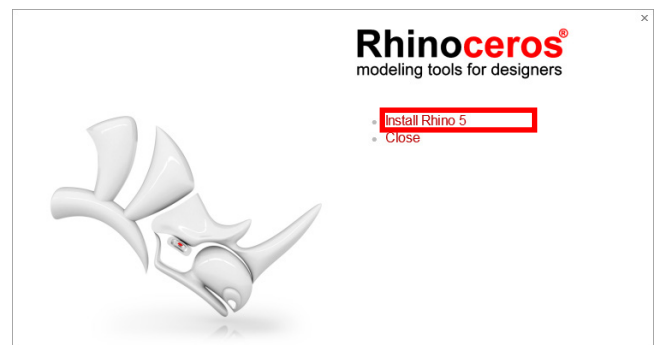

**rh50\_en-us\_5.12.50810.13095.exe**

The file is extracting

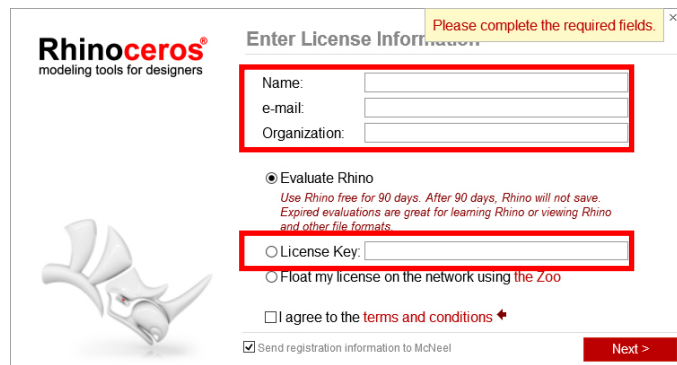

2. The next screen displays the Rhino installation menu

Click Install Rhino 5.

3. Fill out your name and e-mail address.  
Copy the license key that you have received by e-mail.  
Paste the license code in the license screen.

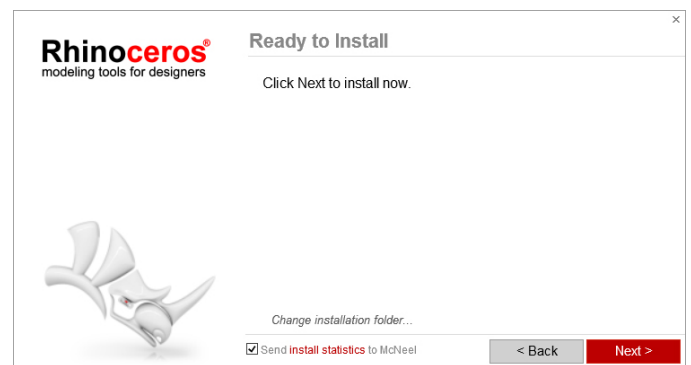

Click Next.

The screenshot shows the 'Enter License Information' window for Rhino 5. It features the RhinoCeros logo and a rhino icon. A yellow banner at the top right says 'Please complete the required fields.' There are three input fields for 'Name:', 'e-mail:', and 'Organization:'. Below these, there are two radio button options: 'Evaluate Rhino' (selected) and 'License Key:'. The 'Evaluate Rhino' option has a note: 'Use Rhino free for 90 days. After 90 days, Rhino will not save. Expired evaluations are great for learning Rhino or viewing Rhino and other file formats.' There is also a checkbox for 'I agree to the terms and conditions' and a checkbox for 'Send registration information to McNeel'. A red 'Next >' button is at the bottom right.

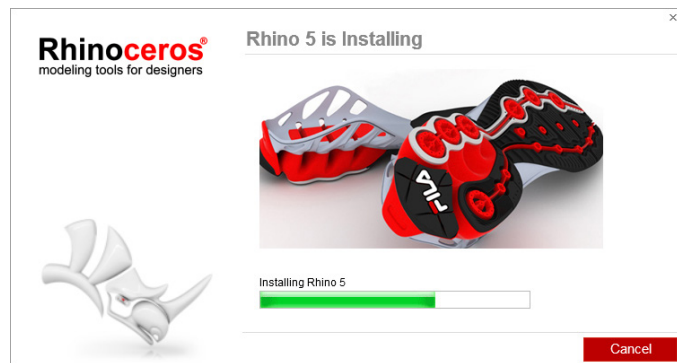

4. The next screen of the setup is displayed.

Click Next.

The screenshot shows the 'Ready to Install' window for Rhino 5. It features the RhinoCeros logo and a rhino icon. The text says 'Click Next to install now.' There is a link 'Change installation folder...'. At the bottom, there is a checkbox for 'Send install statistics to McNeel' and two buttons: '< Back' and 'Next >'.
