

# SEMESTER 2 (Spring) - Faculty Industrial Design Engineering - TU Delft

## Master Courses for Exchange Students – updated August 2024

For graduate exchange students or for students who studied 3 years or longer on the moment of application.

Due to scheduling and availability incoming exchange students need to choose a course package. Free choice of courses is not possible.

Below you will find the list of course packages we offer. Since we cannot guarantee enrolment in your first choice, it is obligatory to mention a second choice and a third choice in OSIRIS. You can find course information on [studyguide.tudelft.nl](https://studyguide.tudelft.nl). Please note that some minor changes might occur in the offered course packages.

The academic year consists of two semesters (60 EC), each semester (30 EC) is divided in two quarters of each 10 weeks (15 EC). Spring semester (Q3 + Q4) starts early February and ends early July.

**IMPORTANT** : after you have selected courses/packages it is not possible to change. It is possible to cancel courses after arrival but it is not possible to add or change courses.
