

The Future of Wind

How innovations in wind power facilitate a sustainable future

Register

Thursday
24
Nov

- 13:30-14:00** Welcome Reception with Coffee / Tea
- 14:00** Opening
Kornelis Blok, Director Delft Energy Initiative
- 14:15-16:00** **Session I: Wind Energy - What is needed for a sustainable future?**
Chair: Huub den Rooijen, (The Crown Estate)
Speakers: Stephan Barth (IEA TCP Wind), Simon Benmarraze (IRENA), Giles Dickson (WindEurope), Laurens de Vries (TU Delft)
- 16:00-16:15** Coffee Break
- 16:15-18:00** **Session II: Wind & Hydrogen – Game changer or dead-end?**
Chair: Simon Watson (TU Delft)
Speakers: Marijke Kellner (Gasunie), Paul van Tricht (ENECO), Christopher Ulrich (SGRE), Ad van Wijk (TU Delft)

Friday
25
Nov

- 8:30-9:00** Coffee / Tea
- 9:00-10:45** **Session III: Floating Wind – Key technology or niche?**
Chair: Katherine Dykes (DTU)
Speakers: Po Wen Cheng (Stuttgart), Jasper Koot (SGRE), John Olav Tande (SINTEF), Huub den Rooijen (The Crown Estate)
- 10:45-11:00** Coffee Break
- 11:00-12:45** **Session IV: Circularity & System Design - Can Wind be sustainable?**
Chair: Andy van den Dobbelsteen (TU Delft)
Speakers: Carlo Bottasso (TU Munich), Lena Kitzing (DTU), Lex Zwang (Pontis Engineering), Julie Teuwen (TU Delft)
- 12:45-13:00** Closing
Henri Werij, Dean Aerospace Engineering
- 13:00-14:30** Lunch
- 15:00-17:30** **Inaugural & Valedictory speeches of Dominic von Terzi & Gerard van Bussel**
with Rector Magnificus Tim van der Hagen, Vice-Rector Magnificus Rob Mudde, collegial addresses by Martin Kühn (ForWind) and René Bos (ENECO)
- 17:00-18:30** Reception
