

Possible variations Form A

Please add to Form A the composition of the current supervisory team. The supervisory team should be composed out of one (intended) promotor with one or two supervisory team members.

Variations possible in Form A are:

- Promotor + promotor
- Promotor + copromotor
- Promotor + promotor + copromotor
- Promotor + copromotor + copromotor
- Promotor + promotor + promotor

N.B.:

- When the proposed combination of the supervisory team deviates from the combinations mentioned above, please contact the AE Faculty Graduate School for more information on the procedure
- When the composition of the supervisory team is changed, please send a new signed form A with the new composition.
