

Are you a TU Delft alumnus and looking for a free scientific article?

Our first
choice

GET THE PDF!

1

UNPAYWALL

Find, track and use 50 million + open access publications. Download the [unpaywall](https://unpaywall.org) extension at unpaywall.org and get access to full-text research papers. For Chrome and Firefox.

4

REQUEST COPY VIA AUTHOR

You can always request a copy directly from the author; often not the fastest way, but traditionally a well-used route to get PDFs.

OPEN ACCESS BUTTON

Free, legal research articles delivered instantly are automatically requested from authors. Download the button at openaccessbutton.org as an extension for your browser.

2

#ICANHAZPDF

Use the hashtag #ICanHazPDF in a tweet with the link or name of the desired publication. People who have access to the publication can then share it with you.

5

3

GOOGLE SCHOLAR BUTTON

Find Full-text articles via Google Scholar Button. The button is a plug-in and is available for [Firefox](#), [Chrome](#) and Safari. Add it in the settings of your browser.
