

Dear colleagues and friends,

Warm greetings from Tsinghua University.

I'm writing to inform you that our virtual summer school, **Tsinghua Global Summer School (GSS) 2022, A Healthy Planet for Sustainable Development**, is scheduled to be held from July 4 to July 10, 2022.

Tsinghua GSS offers students an exceptional interdisciplinary platform to be immersed and inspired. Supported by over 20 Tsinghua departments and institutes, this summer school will cover diverse topics related to sustainable development. The program features a carefully curated syllabus combining academic, cultural, and social engagements, and will be conducted entirely in English through online lectures, seminars, workshops, and an SDG Hackathon. Students who meet the attendance requirement and complete the SDG Hackathon will be eligible for 1 academic credit and a Tsinghua GSS 2022 Certificate.

In recognition of our long-standing cooperation, it is my pleasure to offer **5 students from your institution with tuition waiver** for Tsinghua GSS 2022. I would be very grateful if you could forward the program introduction to eligible students.

Attached is the program introduction. To find more details about Tsinghua GSS and to apply, please visit our website at <https://www.tsinghua.edu.cn/gss/>.

Please note that all applicants need to apply online, and that the application deadline is **June 10, 2022**.

I would be very happy to welcome your students at Tsinghua GSS 2022 this summer! Should you have any questions, please contact us at experiencing-china@tsinghua.edu.cn.

With our sincere thanks and warm regards,
