Partnerships 2024

Are you looking into meeting TU Delft talent?

We aim to create an ecosystem in which students can learn about the world of business and industry and where you can learn what our students have to offer.

Our mission

TU Delft Career Centre works with students, PhDs, PDEngs and young alumni to help them **build their employability and career management skills** by providing a range of career workshops, programs and resources. We enjoy working closely with employers, professional organisations and alumni to create positive connections between them, the university and students.

We can help you to:

- Increase your **brand awareness**
- Discover more about the needs and skills of our students
- Share your **career opportunities** and increase your success rates*
- **Meet our talent:** students, alumni and PhD online or in person... and much more!

“We hired two students already and they are starting next month, so that is perfect!”
