DELFT UNIVERSITY OF TECHNOLOGY

Addendum to Article 6 – Track; discontinuation of EWEM track

Article 6 - Track (Art. 7.13 Section 2, Subsection b WHW)

BoS right of approval

The Master's degree programme has the following tracks, with the stated content: - Offshore & Dredging Engineering - Offshore Renewables Engineering (joint-degree European Wind Energy Master track Offshore Engineering)

The involvement of TU Delft in ODE track Offshore Renewables Engineering (joint-degree European Wind Energy Master track Offshore Engineering) will be discontinued. Cohort 2024-2025 is the last cohort to obtain a TU Delft diploma. Students who have begun their studies in September 2024, will retain the same rights as those who started before. Cohort 2024-2025 and all previous cohorts will be actively facilitated towards obtaining the TU Delft diploma until end of academic year 2026-27.

Article 32 - Entry into force

These regulations shall enter into force on 1 September 2024. These regulations shall remain in force until they are replaced by other regulations.

Adopted by the Dean of the faculty on 30 August 2024.
