

Application start final thesis (AES-1)**Teaching and Examination Regulations (TER-CE-AES-CME 2021-2022) ANNEX - Article 20 - Access to Final Thesis Project:**

1. Before starting the Master Thesis Project, the student must complete the form CIE-1 respectively AES-1, which can be downloaded from internet. On the basis of that form the Student Administration will check on behalf of the Board of Examiners, whether the student complies with the requirements laid down for the Master Thesis Project. If everything is in order the student can report so to the coordinator linked to the chosen track, and further compile the master's examination programme.
2. In addition to subsection 1, students Geo-Resource engineering must also have completed the course Thesis proposal (AESM2023).
3. Students may embark on the Master Thesis Project only when they have no more than 15 credits of uncompleted subjects of the Master's degree programme from all their other subjects of the programme.
4. The final assessment is the meeting during which the assessment committee's chair grades the results of the student's work. The accompanying presentation constitutes part of the final assessment and takes place preferably on the same day as the final assessment. The final assessment has to occur within four weeks (the months of July and August excluded) after the final thesis report has been handed in.
