Graduation Agreement

For all TU Delft students that graduate at a company a graduation agreement is required in which all conditions for the graduation are stipulated and agreed upon by the company, the student and TU Delft. The procedure for this graduation agreement is available on the Faculty CEG student portal.

- By ticking this box, I declare a) that I am graduating at a company and that the graduation agreement has been signed by all parties involved, or b) that I am not graduating at a company and a graduation agreement is therefore not required. Note that without ticking this box, approval of the kick-off proposal may not be given.

Conditions for the composition of the Graduation Assessment Committee

The Graduation Assessment Committee preferably consists of three or more members, including the chairperson, but must at least consist of two members who both have been appointed as examiner, where any examiner must have obtained the UTQ, or must be in the process of obtaining the UTQ. The chairperson of the CME assessment committee must be a full, associate or assistant professor active within the CME programme and be affiliated to one of the 3 participating faculties. The second member must represent a different section in either of the participating faculties. Additional university committee members may be a researcher or PhD-candidate.

Composition Graduation Assessment Committee

Role	Titles and names members	Section/Faculty/Company
Graduation Chair*		
Main Supervisor*		
Secondary Supervisor		
Additional Supervisor		
Company Supervisor 1		
Company Supervisor 2		

*) Compulsory to be listed in this form. Note that any additional supervisors may be added to the committee later using a form CME-2a, but must be registered before the green-light meeting.
