5. Project preferences (your own contacts, ideas or Brightspace Announcements): *

- 1:
- 2:
- 3:
- 4:
- 5:

*To have an idea, nothing is fixed at this moment. *Check Brightspace for topics and restraints.

Why you plan the project in the requested period:

- Study planning
- Interesting idea for subject
- Already found one or more interesting companies and topics
- Other,

.....

.....

Special comments (looking for team members, (do not) want to cooperate with etc.):

.....

.....

.....

.....

6. Proposed team

I like to enroll with the following students and if the course coordinator agrees to work as a team (**5** students max):

Student number	Student name, surname	TIL specialization (at least 2 specialisations per team)
1.		
2.		
3.		
4.		

All proposed team members should have compatible study obligations. Check this beforehand.

7. Email this form to j.m.vleugel@tudelft.nl. **Thank you!**

8. Information/questions: Follow the P0 lectures, information on Brightspace, including the [Course manual](#) before you start preparations. Contact the course coordinator to have a start-up meeting and follow-up meetings to discuss your choices and receive comments on your draft PVS.

On-line: Email, ms teams, zoom. Office by exception: CiTG **4.18**.
