

Are You Passionate About Digital Media and Making a Global Impact?

Internship - Looking for a Social Media Content Creation & Campaign Support Intern!

Background

Compassion Global Ministries (CGM) in Rotterdam is a dynamic and growing organization committed to impactful global initiatives. As we continue to expand our reach and influence, we are looking to enhance our social media outreach to effectively engage and inspire communities worldwide.

We are offering an exciting opportunity for interns from public universities or design institutions to join our team for a few months. This internship will provide hands-on experience in social media strategy, content creation, and community engagement. You will work closely with our team to develop and execute a robust online presence that will generate excitement and participation in our upcoming campaigns.

This is an excellent opportunity for students looking to gain real-world experience in digital marketing, communications, and social media management while contributing to a meaningful cause.

If you are passionate about using your skills to make a difference and are eager to be part of a global initiative, we invite you to apply and join us in this unique and rewarding experience.

Assignment

As an intern, you will have the chance to work closely with our communications team, assisting in a variety of tasks that help expand our reach and impact. Key areas of involvement include:

- Assisting in the creation and editing of video content that highlights our organization's initiatives and impact.
- Helping to develop promotional videos and multimedia content that engage and inspire our target audiences.
- Supporting the execution of digital campaigns across platforms like Facebook, Instagram, YouTube, and TikTok to broaden our reach and enhance community engagement.
- Engaging with our online community by responding to comments, messages, and inquiries, fostering meaningful connections with our followers.
- Assisting in tracking and reporting social media performance metrics to refine strategies and improve effectiveness.

Together, we will determine where your focus will lie, taking into account your interests and strengths. We welcome your ideas and creativity!
