MSc MOT transitional rules 2023-2024

A revised curriculum for MOT will be offered as from 2023-2024.
All courses (except Master Thesis) will receive a new course code, following a newly aligned structure of codes.
Advice: if you have not actively followed the course, follow the new course.
- You have to check your timetable for the scheduling of courses and exams.
  Be aware that some courses have moved to a different quarter.
  Please look at the specific conditions per course in the table below. A flow chart has been designed to support the information in this formal table (which is part of the Teaching and Education Regulations 2023-2024).
