

Dear Cleanroom user,

To ensure a safe and smooth experience during cleanroom tours, we kindly ask you to follow the conditions outlined below:

1. **Advance Notification:** Please inform us of your visit at least one day in advance (preferably earlier if possible).
2. **Tour Timing:** Tours are only allowed during working hours.
3. **Approval:** All tours require prior approval from Kavli.
4. **Group Size:** A maximum of 8 people is allowed per group. For larger groups, a second tour guide must be arranged.
5. **Supervision:** Guests must stay with the tour guide at all times and are not permitted to touch or operate any equipment.
6. **Photography:** Photos are allowed, but if people are included in the pictures, their consent is required. Photos may only be taken in Kavli modules (not in TNO areas) and without using a flash, especially in yellow-lit areas.
7. **Large Groups:** For larger groups, we request scheduling an appropriate time to minimize interference with cleanroom users.

We appreciate your cooperation in maintaining the integrity of the cleanroom environment. Should you have any questions or require further assistance, please do not hesitate to reach out.

Best regards,

Marc Zuiddam

Manager Kavli Nanolab
