

How to report the loss of your TNO badge

- Report the loss to a KN staff member as soon as possible
- KN staff will ask TNO to block your badge for one week
- During this week you can search for your badge
- If you find your badge, tell the KN staff so they can re-activate it
- If your badge is not found after one week, KN will ask TNO to make a new badge (this will take 2-3 weeks)
- During this time you can get a visitor card
- **Please don't contact TNO yourself!**
