

Itinerary to Reactor Institute Delft, the Netherlands

By car

- Get on the A13 between Rotterdam and The Hague (= 's Gravenhage)
- Take the "Delft-zuid" exit
- On top of the overpass, follow the "TU-wijk" signs
- Down below, turn left (Schoemakerstraat-Watermanweg)
- The Watermanweg makes a 90 degree turn to the right
- Left turn on the first intersection (Mekelweg)
- The institute is on your left, parking space on your right.

By train

- Take the stoptrein from Rotterdam or Den Haag to Delft-Zuid
- Climb the stairs up to the Kruythuisweg
- Walk east along the bicyclepath along the Kruythuisweg, across the channel (Schiekanaal)
- When the path reaches groundlevel, turn right on the Mekelweg
- Go to the reactor dome
- The walk takes about 15 minutes
