

# Evaluation criteria for Master track Landscape Architecture, intake 2024-2026

Portfolio and Letter of Motivation give the following profile of the applicant:

- **Convincing motivation**  
The application demonstrates strong interest in the Landscape Architecture MSc programme and presents convincing reasons for choosing the programme at TU Delft.
- **Effective communication**  
The application demonstrates the ability to communicate a variety of topics in a concise and original way and to express ideas effectively in words, drawings and other media.
- **Disciplinary insight**  
The application demonstrates understanding of landscape architecture and its relation to architecture and urbanism.
- **Academic approach**  
The application demonstrates an academic approach to spatial design.
- **Site-specific design skills**  
The application demonstrates analytical and spatial design skills in relation to the physical context.

All criteria must be met. Failing on one of them can lead to a rejection.
