

# Application form for MSc programmes

## Faculty Technology, Policy and Management

### For student holding a Dutch BSc certificate

With this form you request that the faculty of TPM passes sentence on admission to one of the faculty's MSc programmes, or a bridging programme leading to a MSc programme. You will be notified of the decision. The central student administration will take care of the administrative application procedure. We will forward original documents to the central student administration. If you are not admitted to the programme, we will return your certified document to you.

### MSc programme

For which MSc programme do you wish to apply?

If you are a Dutch HBO student and want to apply for a 'schakelprogramma' (which can be completed during an HBO programme), please tick the box for the MSc programme of choice and the box below.

## Documents required for application

### 1. A completed and signed application form

### 2. Essay

A clear and relevant motivation letter (essay) written by the applicant (+/- 2,000 words in English). This essay is covering the following aspects:

- Your motivation for taking the MSc programme and what is expected from the study
- Provide a maximum of three hypothetical thesis topics and elaborate on your particular interests in them: what kind of a project would you prefer if you were free to make a choice? Also briefly explain what you would want to explore in your thesis project.
- A brief summary (maximum 250 words) of the thesis work or the final assignment (to be) done for the Bachelor's programme, including information on the credits earned, grade, and full workload (a motivation letter helps to make a conscious choice for a MSc programme).
- In case of a MSc CoSEM application: Which track interests you most, and why?
