WHY A NEW ALUMNI COMMUNITY?

You are not simply a TU Delft engineer for the moment: it will leave an impression on your whole life. It is something you can carry with pride! **tudelftforlife.nl** is the worldwide meeting place for all TU Delft alumni.

Expand your network and get in touch with former fellow students and other TU Delft alumni! Keep yourself up-to-date with the latest news and events via **tudelftforlife.nl**.

Together we make the difference.

A vibrant community requires an active group of users who share information in an appealing online environment. Your own profile page and the ability to contact fellow alumni directly are important features in the community. And the 'global map' is also integrated. Everything can now be found in one single place: clear and well-organised.

STEP 1:

REGISTER AND CREATE A PASSWORD

- Go to **tudelftforlife.nl** and register.
- Complete your personal account – preferably with your LinkedIn details.
- Select: I am... 'an alum' and enter your programme details.
- You will (after verification) receive a confirmation email, enabling you to log in via **tudelftforlife.nl**.

Were you a member of the old alumni portal?

Just enter your login name and set your password. Enter your information from LinkedIn so your profile is up-to-date. To do this, use the blue button on the main page.

“The community continues to provide me with invaluable professional connections throughout the world and across sectors.”

STEP 2:

COMPLETE YOUR PERSONAL PROFILE

It is important that you complete your entire profile page. This will help you stay informed about information and events relevant to your field and interests. You can also indicate your language preference (Dutch/English). Make sure to keep your personal information up-to-date so that others can find you.

Together we can create a valuable community.

Alumni Newsletter and Delft Outlook

In addition to information on the **tudelftforlife.nl** website, there is also a monthly Alumni Newsletter and the free Delft Outlook magazine (4 times a year). You can indicate whether you want to receive these or not on your personal profile page.

“My company was looking for an engineer and I was able to find one in the same city through the community.”

MAKE CONTACT!

tudelftforlife.nl provides access to thousands of TU Delft alumni, spread across more than 100 countries. You can use the global map to get in touch with alumni in your area or easily find alumni in the same field.

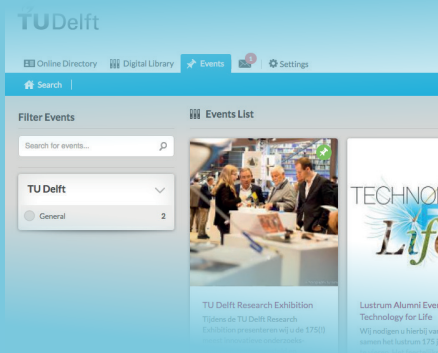

You can join various groups in the community, based on location or theme. This makes it easier to find fellow alumni in your city abroad and stay in touch with each other. Or keep yourself posted on a special theme.

REGISTER FOR EVENTS

At **tudelftforlife.nl** you can find important information about alumni events and meetings at home and abroad. You can register for these directly. It is therefore important that your personal profile page is completed as fully as possible.
