

Discover with me: Climate Art on Campus

Hi! I'm Aafke Fraaije, postdoc on **Art for Climate Solidarity**. I investigate how art can foster empathy & solidarity in the climate debate

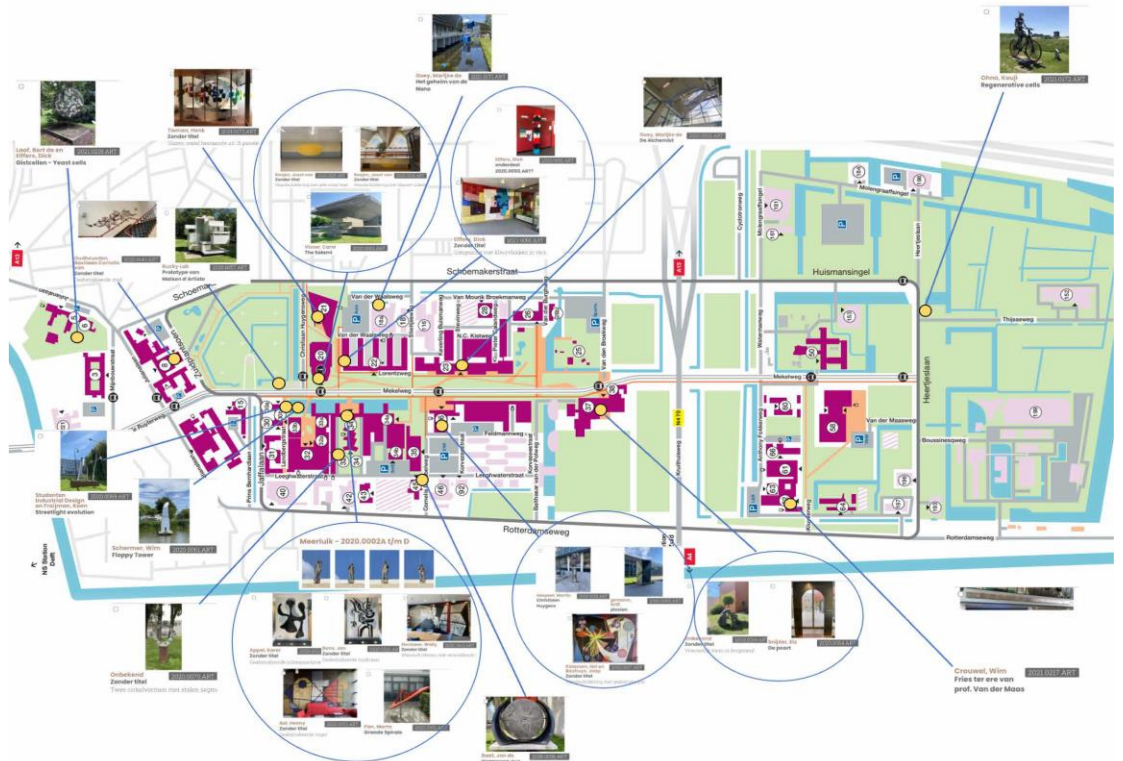

Image source: Baar, Veronique (2021). Living campus, living art. Activating and expanding the TU Delft Campus Art Collection. TU Delft

The TU Delft has more than 220 paintings and sculptures that could be used to support **dialogue in reflection in our education**

The big melting.
Marjanne Beeuwkes

Carbon capture chair. Artist unknown

Contemporary fossil installation
Artist unknown

mini art tour
today at **11:00 hrs**
start @the lobby of X

±10 artworks on campus are about the climate crisis and the engineer's role in addressing it
