Payment of the grant only takes place after you have become Student Friend.
- You need to register your stay abroad contact details in MyTUDelft (at least 14 days before departure) by which you are automatically eligible for free TU Delft travel insurance (the maximum period of stay abroad for trainees and students is set at 365 days. - FAST guarantees that you will receive a predetermined amount to compensate for a budget deficit, provided that the expected deficit in your budget actually occurs. You can show this afterwards by submitting your final declaration. If the deficit in this declaration is smaller than expected, the amount of the grant will be lowered accordingly. If the deficit is the same or higher than expected, you will receive the amount allocated in advance, provided that all requirements have been met.
- The assessment of all applications is done by the Executive Grant Committee after the advice from FAST.
