

# STUDY ASSOCIATIONS

## Grant Requirements

### You can apply for a Study Association Grant if:

- You are requesting the grant on behalf of a TU Delft study association or master association.
- The event that you need funding for is related to the TU Delft study programme or TU Delft knowledge and technology.
- You have not already been granted the study association grant this calendar year.
- The application does not exceed the maximum of 500 Euros.

### General requirements

- FAST only approves applications which are related to a TU Delft study programme or which are based on TU Delft technology.
- Applications should be submitted **at least 2 weeks** prior to commencement of the activity.
- You need to register your stay abroad contact details in MyTUDelft (at least 14 days before departure) by which you are automatically eligible for free TU Delft travel insurance (the maximum period of stay abroad for trainees and students is set at 365 days. Check the [TU Delft Insurance page](#) for more information.
- If restrictions regarding traveling abroad are put in place by TU Delft, they must be followed.
- Only registered TU Delft students and/or registered study associations can apply for funding at FAST.
- If the applicant does not execute on the agreed promotional activities, the grant can be cancelled at any time by FAST. Proof of the completed promotion activities needs to be included in the final report.
- The final report must be received within 1 month after the activity has ended. Any rights you might be entitled to regarding payment of the grant will lapse with this same period.
- FAST guarantees that you will receive a predetermined amount to compensate for a budget deficit, provided that the expected deficit in your budget actually occurs. You can show this afterwards by submitting your final declaration. If the deficit in this declaration is smaller than expected, the amount of the grant will be lowered accordingly. If the deficit is the same or higher than expected, you will receive the amount allocated in advance, provided that all requirements have been met.

- The assessment of all applications is done by the Executive Grant Committee after the advice from FAST.
- The decision to award a grant is at the discretion of FAST and the Executive Grant Committee. Decisions regarding the amount of the grant are not open to appeal.
- Decisions rejecting a request for funding are not open to appeal.
- Students are to refrain from engaging in activities of a political and/or commercial nature during the time abroad that could damage the reputation of TU Delft.
- The final date on which you can claim the grant is 1 year after the date of the email-notification that you are awarded the grant. After 1 year, the grant will automatically expire.
