## LET'S INTRODUCE PHD COUNCIL '21-'22

This academic year we are happy to introduce all members of the PhD Council, so you know who to reach out to when there is something on your mind. Contact us at [PhDcouncil-3mE@tudelft.nl](mailto:PhDcouncil-3mE@tudelft.nl). We strive to have two members of each department, but currently we are still looking for members from **P&E** and **PME**. Are you interested in supporting the social and professional needs of the PhD Community at the Faculty of 3mE? Contact us and join our monthly lunch meeting to see what the PhD council is all about. Not only is this a great way to meet PhDs from other departments, you can also earn up to 2 GS credits for your involvement in the PhD council. Hope to hear from you!

## UPCOMING EVENTS

### PHD DRINKS

**OKT 14** Now that we can meet face 2 face again, we'd love to invite you to drinks at Cafe Labs this Thursday, 14th October from 5-8 pm. We'll even throw in free first drinks! We look forward to seeing you there (and making sure you're real and not just pixels on a screen)! Sign up [here](#).  
Location: [Café Labs](#)  
Time: 17:00 - 20:00

### ROUND TABLE DISCUSSION: CLIMATE CHANGE AND THE TU

**OKT 28** The 3mE PhD council is back with the first 'Discussion Session' of the academic year, from now on called 'Round Table Discussions'! We cordially invite you to take part in a session titled 'Climate Change and the TU', where you will listen to a presentation by an expert on the field, and engage in a fruitful discussion on as yet unresolved issues. Through this session, you will learn about the steps TU Delft is taking to tackle the climate crisis, what is going according to plan, what is not, and what more we, as an organization and as individuals, can be doing to help mitigate this imminent threat. Stay tuned for updates on the speakers. We hope to see you there! Sign up [here](#).  
Location: online  
Time: 16:00

### THESIS PRINTING WEBINAR

**NOV 18** Over the past few months Gildeprint has been offering their thesis printing workshops via a webinar. During this webinar, they will give you information about designing your thesis, provide insight into the printing process and share tips that you will most certainly find helpful. You will also receive a digital information booklet. Sign up information will follow.  
Location: online  
Time: 12:30 - 13:30

## WINTERSCHOOL SOFT ROBOTICS

Application deadline: 1 Dec

Did you already have a post-covid event with fellow PhDs? Send us a photo to share in the newsletter!

## Greetings from Enkhuizen

"On the weekend of 25-26 September, the PhDs from the BME department went on a sailing trip on the IJsselmeer. We had some nice introductory games to get to know each other better. Furthermore, we raised the sails together, had a barbecue, danced with a silent disco on deck, and a sleepover on the boat. It was a lot of fun and nice to bond in a different environment outside the office. It was a nice start of the post-covid era. On to the next one, ahoy!"

## THE INTERNATIONAL CAMPUS

On the 30th of September, Studium Generale TU Delft organized a panel discussion titled 'The International Campus', that focused on internationalization, diversity, and inclusion at TU Delft. This was part of their series of sessions on 'The Future of Universities' and took place in front a live audience in the TU Delft Library, while also being streamed on YouTube. A member of our very own PhD council, Vishal Onkhar, was invited to give the introductory speech on account of his monthly articles in Delta, the college magazine, on related issues. His talk focused on pressing issues faced by international students and staff at TU Delft, and what the university can do to actively address these problems. You can watch his

talk and the subsequent discussion via this [link](#). The 3mE PhD council encourages any international PhDs to come forward and voice their concerns about life and work in the Netherlands.

## CONSULTATION HOURS GRADUATESCHOOL

If you have any doubts about your PhD trajectory, the number of GS courses you still need to do or the credits you can receive for an online course, Mascha Toppenberg from Graduate School is available for online consultation, every **Wednesday from 13.00 till 14.00**.

You can reach her via standard Skype: [graduateschool-3me](https://www.skype.com/join/graduateschool-3me).

or via Skype for Business: [m.p.i.toppenberg@tudelft.nl](mailto:m.p.i.toppenberg@tudelft.nl).
